BREAKSAFE CYLINDER

BreakSafe Technology

The BreakSafe sacrificial line enables the cylinder to break away if your cylinder comes under attack from cylinder snapping. Added safety, security and peace of mind.

6 Pin Security

Over 100,000 effective differs with anti-drill pin protection.

Fully Traceable

A unique reference number is laser etched onto the side of every cylinder for full traceability.

Perfectly Polished

Available in two high quality finishes - polished chrome and polished brass.

Supplied with three keys as standard

A range of variants are available including ergonomic thumbturn

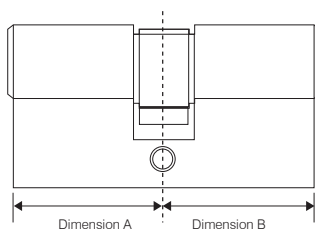

Tested to BS EN 1303: 2015, Grade 6

Classification: 16000C60
